

Curriculum Vitae

JAIME ANN MCQUEEN, Ph.D.

4234 Rapids Drive • Corpus Christi, TX 78410

(361)236-9159 • Jaime.McQueen@gmail.com

Professional Instructional Design and Education Portfolio: <http://www.jaimemcqueenphd.com>

EDUCATION AND CERTIFICATIONS

Ph.D. - Curriculum and Instruction

Texas A&M University-Corpus Christi, Corpus Christi, Texas Expected 05/2017

Doctoral Dissertation Successfully Defended: 2/24/2017

Instructional Design emphasis.

Science Teacher Education emphasis.

Dissertation: " *The effects of biology lab delivery mode on academic achievement in college biology*".

M.S.Ed. - Instructional Design and Educational Technology

Texas A&M University-Corpus Christi, Corpus Christi, Texas 12/2011

B.S. - Biology

Texas A&M University-Corpus Christi, Corpus Christi, Texas 12/2008

Marine Biology emphasis.

Certifications

Consortium for School Networking

Certified Education Technology Leader (CETL),
Expected 12/2017

Texas State Board of Educator Certification

Science (Grades 8-12)

Special Education Supplemental (Grades 8-12)

Gifted and Talented Supplemental, Expected 11/2017

SKILLS AND QUALIFICATIONS

Skills

- Adobe eLearning Suite
- Adobe Creative Cloud Software
- Mobile and Web Application Design and Development (*Corona SDK, jQuery, Ruby on Rails*)
- Website design (*Dreamweaver, Business Catalyst, Muse*)
- Blackboard course design
- Computer software and hardware maintenance
- SPSS and Data Analysis
- Qualitative and Quantitative research
- Programming languages (*HTML 5, javascript, C++, ActionScript, CSS*)

Qualifications

- Design and development research experience
- Online course design experience
- Website design and computer programming experience
- Educational research experience
- Science research and education experience

Note: For linked product samples, please visit my instructional design and education portfolio <http://www.jaimemcqueenphd.com> .

RESEARCH EXPERIENCE

Texas A&M University - Corpus Christi
Graduate Research Assistant

Corpus Christi, TX
8/2015-5/2016

- Served as a doctoral research assistant in the college of education and human development; helped to organize, promote, and facilitate the Coastal Bend Regional Science Fair. Analyzed relevant data and published reports. Collaborated with local school districts, colleges, and universities to foster student participation and success in regional, state, and international science fairs.

Texas A&M University - Corpus Christi
Graduate Research Assistant

Corpus Christi, TX
6/2014-6/2016

- Served as a doctoral research assistant in the office of distance education and learning technologies; performed quantitative and qualitative data analysis. Collaborated in writing NSF funded research publications. Served as a project manager and worked with a team on an instructional design and development project to convert a face-to-face genomics ethics course at Texas A&M University-College station into an online openly distributed MOOC.

TEACHING EXPERIENCE

Tuloso - Midway ISD
High School Science Teacher

Corpus Christi, TX
7/2009-5/2016

- Instructed 9-12 grade students in required science courses for graduation (Aquatic Science, Anatomy and Physiology, Biology, Chemistry, Integrated Physics and Chemistry, and Physics). Implemented and designed science based curriculum and instructional technology materials in the classroom. Collaborated with faculty to serve the needs of a diverse student population. Increased student standardized test scores in Science.

RELATED PROFESSIONAL EXPERIENCE

Flour Bluff ISD

Campus Technologist

Corpus Christi, TX

8/2008-5/2009

- Assisted faculty, staff, and students of Flour Bluff Junior High with computer software and hardware issues. Provided computer lab testing and instructional software setup. Trained faculty to use instructional programs and media.

Texas A&M University-Corpus Christi

Faculty Hardware/ Software Support

Technician

Corpus Christi, TX

5/2006-6/2008

- Performed software/ hardware maintenance on faculty and staff computers. Implemented troubleshooting skills to quickly resolve software related issues. Trained faculty and staff in basic computer skills and software use.

Texas A&M University-Corpus Christi

Faculty Computer Technical Support

Helpline Technician

Corpus Christi, TX

2/2005-5/2006

- Helped faculty and staff by troubleshooting technology related issues over the phone. Collaborated to maintain an online work-order database used for logging calls which required in-person technical support, ordering software and technology, and registering hardware.

HONORS AND AWARDS

Third Place Winner, Doctoral Presentation. Three Minute Thesis Competition, Texas A&M University-Corpus Christi, Corpus Christi, TX. (November, 2016).

First Place Research Poster, Doctoral Education. 13th Annual Pathways Student Research Symposium, Prairie View, TX. (November, 2016).

PUBLICATIONS

Refereed Journal Articles

McQueen, J., & Cifuentes, L. (submitted April, 2017). The effects of mode of lab delivery on learning biology concepts. *Computers & Education*.

Cifuentes, L., Park, S. W., McQueen, J., & Riggs, P. (submitted November, 2016). Collaboratively developing e-learning modules and courses across a distance. *International Journal of E-Learning*.

Works in Progress

McQueen, J., & Cifuentes, L. (2017). The effects of biology lab delivery mode on academic achievement in college biology. *Proceedings of the International Association for Educational Communications and Technology annual conference*, Jacksonville, FL.

McQueen, J., & Cifuentes, L. A systematic literature review of instructor presence and learner control in physical and virtual laboratory environments in STEM classes. Article manuscript in progress, to be submitted February, 2018.

McQueen, J., & Cifuentes, L. A qualitative exploration of students' experiences of instructor presence and learner control in physical and virtual labs. Article manuscript in progress, to be submitted December, 2017.

Published Refereed Proceedings

Cifuentes, L., Park, S. W., & McQueen, J. (2015). Designing and developing a case-based MOOC to impact students' abilities to address ethical dilemmas. *Proceedings of the International Association for Educational Communications and Technology annual conference*, Indianapolis, IN.

Dissertation and Thesis

McQueen, J.A. (2017). *The effects of biology lab delivery mode on academic achievement in college biology* (Order No. 10259993). Available from ProQuest Dissertations & Theses Global. (1889186492).

McQueen, J. (2011). *Teaching high school chemistry students to balance chemical equations through the use of an interactive computer learning module* (Unpublished master's thesis). Texas A&M University-Corpus Christi, Corpus Christi, TX.

Other Publications

McQueen, J. (February, 2017). The effects of biology lab delivery on academic achievement in biology in a sample of non-majors college undergraduate students. Accepted conference paper for the 40th Annual Southwest Educational Research Association conference, San Antonio, TX.

McQueen, J. (February, 2016). The effect of virtual laboratory investigations on student achievement in biology. Accepted conference paper for the 39th Annual Southwest Educational Research Association conference, New Orleans, LA.

REFEREED CONFERENCE PRESENTATIONS

- McQueen, J., & Cifuentes, L. (February, 2017). *The effects of biology lab delivery mode on academic achievement in college biology*. Accepted concurrent session presentation for the 2017 International Association for Educational Communications and Technology annual conference, Jacksonville, FL.
- McQueen, J. (February, 2017). *The effects of biology lab delivery on academic achievement in biology in a sample of non-majors college undergraduate students*. A concurrent session for the 40th Annual Southwest Educational Research Association conference, San Antonio, TX.
- McQueen, J. (November, 2016). *The effects of biology lab delivery on academic achievement in biology in a sample of non-majors college undergraduate students: A sequential explanatory mixed methods inquiry*. Award-winning poster session at the 13th Annual Pathways Student Research Symposium, Prairie View, TX.
- McQueen, J. (February, 2016). *The effect of virtual laboratory investigations on student achievement in biology*. A concurrent session for the 39th Annual Southwest Educational Research Association conference, New Orleans, LA.
- Cifuentes, L., Park, S.W., & McQueen, J. (November, 2015). *Designing and developing a case-based MOOC to impact students' abilities to address ethical dilemmas*. A concurrent session for the International Association for Educational Communications and Technology annual conference, Indianapolis, IN.
- McQueen, J. (February, 2014). *The techie teacher*. A concurrent session for the 24th Annual Texas Association for Alternative Education conference, Austin, TX.

SERVICE AND AFFILIATIONS

- Area Gifted Youth Coordinator, American Mensa. Corpus Christi, Texas (September, 2017- Current).
- School Science Fair Judge, 5th Grade Physical Sciences Category. Gloria Hicks Elementary, Corpus Christi, Texas (November, 2016).
- Coastal Bend Regional Science Fair student worker. Corpus Christi, Texas (February, 2016).
- Coastal Bend Regional Science Fair judge, Junior Division Life Sciences. Corpus Christi, Texas (February, 2014).
- Member, Association for Educational Communications and Technology (AECT)
- Member, National Science Teachers Association (NSTA)
- Member, Texas Association of Biology Teachers (TABT)
- Member, Golden Key International Honour Society
- Member, American Mensa
